

ARUSHI AGARWAL

ABOUT

I am a person who loves to be positive in every aspect of life. I am very patient, responsible, punctual and hard-working student. I like to receive and deal with challenging tasks. I like to polish my skills, increase my knowledge and to share it. I always try to give my best in everything I do. I love to gain new experiences. I like to work with full honesty, integrity and dedication. I love to design websites and mobile applications. Outside of work, I like travelling and spending time with family and friends.
